

Say No to CO. Say Yes to CFM.

Electric VENTRY Fans give you the high cfm you need for aggressive, coordinated attack, not just overhaul. Now you can have all the benefits of electric without sacrificing air volume – and stop the silent killer.

- ✓ 12,080 cfm, verified by thrust
- ✓ Smoke-Busting Safety Propellers move maximum air with minimal HP
- ✓ 1.5 hp, 20 amp
- ✓ 76 pounds or less
- ✓ Variable speed
- ✓ Unlimited tilt
- ✓ Raised air stream
- ✓ 1' ground clearance
- ✓ Unlimited aiming
- ✓ Built for strength and safety, not bulk
- ✓ Small storage size

Now Available: GFCI-Compatible
